## 2. Presentation schedule

During the CONTACT2021, presentations will be held in parallel in two virtual conference rooms (Zoom) embedded into the Expo-IP platform.

Due to the tight time schedule, we kindly ask you to not exceed your time slot of 30 minutes (20 minutes presentation + 10 minutes moderated questions). Short talks should not exceed 15 minutes (10 minutes presentation + 5 minutes moderated questions). We kindly ask you to prepare your presentation in advance so that it is possible to collect all presentations. Please send the presentation as well as the phone number of the speaker (in case of emergency) to [wb\\_tl@biocontact.info](mailto:wb_tl@biocontact.info) by Friday, April 23rd 2021 at the latest.

The Zoom link for the assigned virtual conference room will be send to you in an additional email, approximately one week before the CONTACT2021 job fair.

At the conference day, we kindly ask all speakers to join the assigned conference room 10 minutes prior to their talk and contact 'Admin CONTACT2021' via the private message function. You will then be assigned the necessary roles to activate your camera, microphone and share your presentation. We kindly ask you, to only start sharing your screen once the moderator introduced you to the audience. In case you experience technical difficulties and sharing of your presentation is not possible, we will be happy to assist and share the slides for you.
